

Funds from Alan Moran Memorial Cycle go towards Coláiste Mhuire defibrillator

December 21, 2016

Family and colleagues of the late Alan Moran gathered at Coláiste Mhuire to make a very special presentation to the secondary school last week. Speaking to Topic, Gordon Mitchell said his brother-in-law was an avid sportsman.

“Alan was a past student here as I was myself. He would have done a lot of cycling and played sport so we decided to raise some money to buy defibrillators.
